Dear Sir/Madam,

This letter accompanies our electronic submission of the manuscript entitled, **“Nanomaterials for electrochemical energy storage: the good and the bad”**, by Patrice Simon, Jean-Marie Tarascon and myself which we wrote following the invitation sent last autumn by Dr. Robert Dominko to be considered for publication in the special ACS issue dedicated to Prof. Janez Jamnik.

Possible reviewers familiar with the topic are

Prof. Thierry Brousse (IMN Nantes, thierry.brousse@univ-nantes.fr)

Prof. Philippe Barboux (Univ. Pierre&Marie Curie, philippe.barboux@chimie-paristech.fr)

Yours sincerely,

M. Rosa Palacin
