

Dear Editor,

I am writing to inform you that I am submitting my paper to your journal and below you will find the information for it. I assure you this paper is original and is currently not under consideration by any other journal or any other medium, including preprints, electronic journals and computer databases in the public domain.

1. Title of the paper: Theoretical investigation of electrophilic transannular addition reactions of halogens to face-to-face (juxtaposed) double bonded strained alkenes
2. Full names of the authors: Rza Abbasoglu
3. Affiliation and addresses of the authors:

Rza Abbasoglu -Department of Chemistry, Karadeniz Technical University,
61080 - Trabzon, Turkey.

4. The corresponding author: Rza Abbasoglu
