

Name and address of five potential reviewers

Declaration: This is to declare that there is no conflict of interest with any of the following reviewers. We are in no way connected with them either at academic or personal level

1. Prof. Daniella C. Napoleão

Departamento de Engenharia Química, Universidade Federal de Pernambuco, Recife 50670-901, Brazil

Field of expertise: Degradation of pollutants by Advanced Oxidation Processes

Email: daniella.napoleao@ufpe.br
